Dr Bill O' Hanlon

Medical School Medal

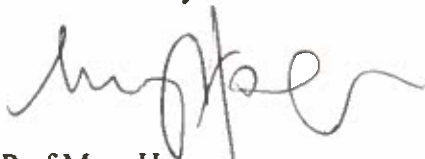

Dear Bill

On behalf of the School of Medicine at UCC, it gives me the greatest pleasure to inform you that you have been chosen as this year's recipient of the UCC Medical School Medal. This award, inaugurated in 2001, was created to honour those who have made exceptional contributions to Medicine and Society. You have been chosen as this year's recipient on the basis of your own sustained and excellent track record in travel and tropical medicine and your strong charity links.

I do hope that you and your guest(s) can join us for the ceremony, which will take place at the Medical School Graduation Dinner, scheduled for **Wednesday 24th May 2017** in UCC. The evening will start at 19:30 with a Drinks Reception, followed by Dinner at 20.30 (venue details to follow) Lounge Suits & Cocktail Wear.

I should be grateful if you would confirm your attendance with the Medical School Manager (021-4901574 or r.walsh@ucc.ie) at your convenience.

Yours sincerely
